A.1 VALUE ADDED TAX (VAT). The Contractor shall include VAT as a separate charge on the Invoice and as a separate line item in Section A.
B. SCOE OF WORK

The character and scope of the work are set forth in the contract. The Contractor shall furnish all labor and materials required by this contract.

In case of differences between small and large-scale drawings, the latter will govern. Where a portion of the work is drawn in detail and the remainder of the work is indicated in outline, the parts drawn in detail shall apply also to all other portions of the work.

B.1 BACKGROUND

The Embassy of the United States of America in Moscow has a requirement to perform the following services: install suspended ceiling in the waiting area of the Embassy Consular Building located at 19/23 Novinskiy boulevard, Moscow, Russia 121099.

B.2 GENERAL REQUIREMENTS

B.2.1 The Contractor shall complete all work, including furnishing all labor, material, equipment and services, unless otherwise specified herein, required under this contract.

B.2.2 All work and procedures shall be performed in conformity with the specifications and work requirements herein. All local and US work safety and health norms and standards apply to this contract.

B.2.3 All specifications and requirements are written in the statement of work and cannot be changed without the approval of the Contracting Officer (CO).

B.2.4 The Embassy reserves the right to inspect and test all the work under this contract at any time. If any of the work does not conform to the contract requirements and specifications, the Embassy may require the Contractor to perform the services again at no additional cost to the Embassy.

B.2.5 The Contractor shall submit a work schedule, setting forth date, time, contents of work, personnel and time line to completion for approval by the Contracting Officer’s Representative (COR).

B.2.6 The Contractor shall visit the work site at a time designated by the Contracting Officer and inspect the work area in order to understand the existing conditions and work requirements.

B.2.7 All work areas shall be brought back to the condition in which they were provided to the Contractor. Any damage caused by work associated with this contract shall be repaired and material restored to its original condition or better.

B.2.8 Where two or more items of the same type of equipment are required, the product of one manufacturer must be used.

B.2.9 All measurements stated in this Scope of Work are approximate. The Contractor will be allowed to perform an independent measurement during the site visit.

B.2.10 The Contractor is responsible for protection of the building hardware, equipment, ceilings, floors, and walls adjacent to the work area. Drop cloths, protective coverings, and other appropriate methods shall be used to protect these items from damage.
B.2.11 The Contractor shall take appropriate measures to make work safe for and unobtrusive to the public and building tenants. This includes, but is not limited to, signage (warnings, detours, etc...), physical separation (barricades, partitions, etc...), and moves to limit noise, odors and dust.

B.2.12 There are drawings available for this project. The Contractor may request copies the drawings from the Contracting Officer. Any deviations from the provided design drawings during the construction phase must be pre-approved by the COR in writing.

B.3 WORK DESCRIPTION

The Contractor shall perform the following services:

B.3.1 Install suspended ceiling in halls 3 and 4 according to the following requirements:

- The suspended ceiling tiles must be high sound attenuation 600x600x19 millimeter “Armstrong Ultima+ board” type or equal, white in color. The total area of the new suspended ceiling - 190 square meters.
- The elevation of the new suspended ceiling must be 3.2 meters above the finished floor level.
- The ceiling grid must be installed according to the manufacturer’s instructions on structural elements of the existing vaulted polycarbonate roof of the halls 3 and 4, which has height of up to 7 meters. The grid system is not to be supported by existing air ducts, fire suppression pipes or electrical conduits.

B.3.2 Install 600 x 600 millimeter 220V LED light fixtures, such as LLT LP-02 standard 36W 4000K 2800 Lm, in the new suspended ceiling. The total number of light fixtures - 35.

B.3.3 Install two light switches S1 and S2 for the new light fixtures, connect the light fixtures to the existing power distribution system. All electrical wiring must be done with copper wire of no less than 1.5 sq. millimeter cross-section installed in steel electrical conduits and junction boxes.

B.3.4 Install 600x1200x100 millimeter mineral fiber insulating mats on top of the new suspended ceiling excluding the light fixtures. The total area is 190 square meters.

B.3.5 All work by the Contractor shall be done only during the following hours:
- week days (Monday – Friday) - during the night time 16:00 – 07:00;
- weekends and holidays.

The Contractor must remove scaffolds, tools, equipment, clean the work area after each work shift in order to allow normal operation of the Consular section during its business hours (Monday – Friday 07:30 – 16:00).

B.3.6 Installation of new fire suppression sprinklers and ventilation equipment in the work area will be done by the Embassy staff during the period of the suspended ceiling installation.

B.4 UTILITIES

Electricity (220V, 50 Hz single phase) is available at the work site. City water is also available from the faucet closest to work site. Electricity and water are provided at no cost to the
Contractor during the work period. Both shall be utilized solely for the contracted work. Toilet facilities will also be provided by the U.S. Embassy.

B.5 CONTRACTOR FURNISHED MATERIALS

B.5.1 Contractor is responsible for taking accurate field measurements for all required materials.

B.5.2 Samples of all materials must be approved by the Embassy prior to the contractor purchasing or installing any material. The Consulate will not be held responsible for the cost of material purchased by the contractor without prior approval.

B.5.3 The Contractor shall not provide materials that contain asbestos or lead-based paint. It is up to the contractor to provide information to prove that the materials meet this requirement when requested to do so.

B.5.4 The Contractor shall not provide materials that are flammable, or contain Volatile Organic Compound (VOC). It is up to the contractor to provide information to prove that the materials meet this requirement when requested to do so.

B.6 GOVERNMENT FURNISHED MATERIALS

None.

B.7 CLEANUP OF WORK SITE

All debris produced during the work must be removed from work site by the Contractor on a daily basis. The Contractor shall perform a final clean-up of the work site upon completion of the work. The Contractor is responsible for complying with all the local industrial waste disposal codes and regulations.

B.8 SAFETY

B.8.1 The Contractor is responsible for taking all necessary safety measures during the work performance.

B.8.2 The Contractor assumes absolute responsibility and liability for any and all personal injuries or death and/or property damage or losses suffered due to negligence of the contractor's personnel in the performance of the services required under this contract. The contractor's assumption of absolute liability is independent of any insurance policies.

B.8.3 The Contractor shall provide employees with and require the use of safety equipment, personal protective equipment and devices necessary to protect the employee.

B.8.4 The Contractor shall immediately report each accident, irrespective of severity, to the Contracting Officer’s Representative.
B.9 CONTRACTOR PERSONNEL

B.9.1 The contractor shall provide personnel as needed to complete the services that meet the technical requirements in this Scope of Work.

B.9.2 The contractor shall insure that all personnel employed in the performance of the contract are qualified and possess the necessary licenses required in their respective trades. The Contractor shall be qualified (with all safety and due diligence training). Their credentials shall prove their qualifications with required licenses, etc.

B.9.3 The Contractor shall provide the following information about the personnel, including drivers, and vehicles who will be working on the Embassy territory, for a security office check:

- full name and readable copy of passport for all tradesmen and supervisors;
- make, model and license plate number for all trucks and vehicles.

This information must be provided before the contractor will be allowed access onto the Embassy grounds to perform any work.

While working on the compound the Contractor’s employees will be escorted by an Embassy Security Escort. The ratio is one escort for every six employees. All employees must be in the line of sight of the escort at all times. The Contractor must consider this restriction as he develops his execution plan.

END OF STATEMENT OF WORK
C. PACKAGING AND MARKING

Mark materials delivered to the site as follows:

   Embassy of the United States of America
   Bolshoy Devyatinsky Pereulok, 8
   Moscow, Russian Federation 121099
   RFQ# SRS500-17-Q-0017

D. INSPECTION AND ACCEPTANCE

The COR or COR's designee reserves the right to inspect and test all the work under this contract at any time. If any of the work does not conform to the contract requirements and/or specifications, the U.S. Embassy may require the Contractor to perform the services again at no additional cost to the Embassy.

D.1 SUBSTANTIAL COMPLETION

   (a) "Substantial Completion" means the stage in the progress of the work as determined and certified by the Contracting Officer in writing to the Contractor, on which the work (or a portion designated by the Government) is sufficiently complete and satisfactory. Substantial completion means that the property may be occupied or used for the purpose for which it is intended, and only minor items such as touch-up, adjustments, and minor replacements or installations remain to be completed or corrected which:

   (1) do not interfere with the intended occupancy or utilization of the work, and
   (2) can be completed or corrected within the time period required for final completion.

   (b) The "date of substantial completion" means the date determined by the Contracting Officer or authorized Government representative as of which substantial completion of the work has been achieved.

   Use and Possession upon Substantial Completion - The Government shall have the right to take possession of and use the work upon substantial completion. Upon notice by the Contractor that the work is substantially complete (a Request for Substantial Completion) and an inspection by the Contracting Officer or an authorized Government representative (including any required tests), the Contracting Officer shall furnish the Contractor a Certificate of Substantial Completion. The certificate will be accompanied by a Schedule of Defects listing items of work remaining to be performed, completed or corrected before final completion and acceptance. Failure of the Contracting Officer to list any item of work shall not relieve the Contractor of responsibility for complying with the terms of the contract. The Government's possession or use upon substantial completion shall not be deemed an acceptance of any work under the contract.
D.2 FINAL COMPLETION AND ACCEPTANCE

D.2.1 "Final completion and acceptance" means the stage in the progress of the work as determined by the Contracting Officer and confirmed in writing to the Contractor, at which all work required under the contract has been completed in a satisfactory manner, subject to the discovery of defects after final completion, and except for items specifically excluded in the notice of final acceptance.

D.2.2 The "date of final completion and acceptance" means the date determined by the Contracting Officer when final completion of the work has been achieved, as indicated by written notice to the Contractor.

D.2.3 FINAL INSPECTION AND TESTS. The Contractor shall give the Contracting Officer at least five (5) days advance written notice of the date when the work will be fully completed and ready for final inspection and tests. Final inspection and tests will be started not later than the date specified in the notice unless the Contracting Officer determines that the work is not ready for final inspection and so informs the Contractor.

D.2.4 FINAL ACCEPTANCE. If the Contracting Officer is satisfied that the work under the contract is complete (with the exception of continuing obligations), the Contracting Officer shall issue to the Contractor a notice of final acceptance and make final payment upon:

- Satisfactory completion of all required tests,
- A final inspection that all items by the Contracting Officer listed in the Schedule of Defects have been completed or corrected and that the work is finally complete (subject to the discovery of defects after final completion), and
- Submittal by the Contractor of all documents and other items required upon completion of the work, including a final request for payment (Request for Final Acceptance).

E. DELIVERIES OR PERFORMANCE

52.211-10 COMMENCEMENT, PROSECUTION, AND COMPLETION OF WORK (APR 1984)

The Contractor shall be required to:

(a) commence work under this contract within 5 (five) calendar days after the date the Contractor receives the Notice to Proceed,
(b) address the work diligently, and,
(c) complete the entire work under this contract within 20 (twenty) calendar days after the date the Contractor receives the Notice to Proceed. Any extensions of the work completion date must be authorized by the CO in writing.

The time stated for completion shall include final cleanup of the premises.
CONTRACTOR’S SUBMISSION OF CONSTRUCTION SCHEDULES

(a) The time for submission of the schedules referenced in FAR 52.236-15, "Schedules for Construction Contracts", paragraph (a), is hereby modified to reflect the due date for submission as **4:00 PM Moscow time on July 27, 2017**. All schedules for this contract shall be submitted along with the quote by the quote submittal deadline stated above.

(b) These schedules shall include the time by which shop drawings, product data, samples and other submittals required by the contract will be submitted for approval.

(c) The Contractor shall revise such schedules (1) to account for the actual progress of the work, (2) to reflect approved adjustments in the performance schedule, and (3) as required by the Contracting Officer to achieve coordination with work by the Government and any separate contractors used by the Government. The Contractor shall submit a schedule, which sequences work so as to minimize disruption at the job site.

(d) All deliverables shall be in the English language and any system of dimensions (English or metric) shown shall be consistent with that used in the contract. No extension of time shall be allowed due to delay by the Government in approving such deliverables if the Contractor has failed to act promptly and responsively in submitting its deliverables. The Contractor shall identify each deliverable as required by the contract.

(e) Acceptance of Schedule: When the Government has accepted any time schedule; it shall be binding upon the Contractor. The completion date is fixed and may be extended only by a written contract modification signed by the Contracting Officer. Acceptance or approval of any schedule or revision thereof by the Government shall not:

1. Extend the completion date or obligate the Government to do so,
2. Constitute acceptance or approval of any delay, or
3. Excuse the Contractor from or relieve the Contractor of its obligation to maintain the progress of the work and achieve final completion by the established completion date.

NOTICE OF DELAY

If the Contractor receives a notice of any change in the work, or if any other conditions arise which are likely to cause or are actually causing delays which the Contractor believes may result in late completion of the project, the Contractor shall notify the Contracting Officer. The Contractor’s notice shall state the effect, if any, of such change or other conditions upon the approved schedule, and shall state in what respects, if any, the relevant schedule or the completion date should be revised. The Contractor shall give such notice promptly, not more than ten (10) days after the first event giving rise to the delay or prospective delay. Only the Contracting Officer may make revisions to the approved time schedule.
NOTICE TO PROCEED

(a) After receiving and accepting any bonds or evidence of insurance, the Contracting Officer will provide the Contractor a Notice to Proceed. The Contractor must then execute the work, commencing and completing performance no later than the time period established in the contract.

(b) It is possible that the Contracting Officer may elect to issue the Notice to Proceed before receipt and acceptance of any bonds or evidence of insurance. Issuance of a Notice to Proceed by the Government before receipt of the required bonds or insurance certificates or policies shall not be a waiver of the requirement to furnish these documents.

WORKING HOURS

Regular U.S Embassy working hours are 0800 to 1700, Monday through Friday. No work on site shall be commenced without the COR’s approval. The Contractor shall provide a detailed schedule for accomplishment of the work to include the lead time required for procurement and delivery of materials and an estimate of the number of workers per day for each proposed on-site work day along with the quote. The Contractor may be allowed to work outside the regular working hours of 0800 to 1700 and on Saturdays, Russian holidays, and American holidays if pre-approved by the COR.

PRECONSTRUCTION CONFERENCE

A preconstruction conference will be held after contract award to discuss the schedule, submittals, notice to proceed, mobilization and other important issues that affect construction progress. Time and date of the preconstruction conference are to be determined. See FAR 52.236-26, Preconstruction Conference.

F.  ADMINISTRATIVE DATA

652.242-70  CONTRACTING OFFICER'S REPRESENTATIVE (COR) (AUG 1999)

(a) The Contracting Officer may designate in writing one or more Government employees, by name or position title, to take action for the Contracting Officer under this contract. Each designee shall be identified as a Contracting Officer’s Representative (COR). Such designation(s) shall specify the scope and limitations of the authority so delegated; provided, that the designee shall not change the terms or conditions of the contract, unless the COR is a warranted Contracting Officer and this authority is delegated in the designation.

(b) The COR for this contract is the **Facility Engineer**.

**Payment:** The Contractor's attention is directed to Section H, 52.232-5, "Payments Under Fixed-Price Construction Contracts". The following elaborates on the information contained in that clause.

Requests for payment, may be made no more frequently than monthly. Payment requests shall cover the value of labor and materials completed and in place, including a prorated portion of overhead and profit.

After receipt of the Contractor's request for payment, and on the basis of an inspection of the work, the Contracting Officer shall make a determination as to the amount, which is then due. If the Contracting Officer does not approve payment of the full amount applied for, less the retainage allowed by in 52.232-5, the Contracting Officer shall advise the Contractor as to the reasons.

Under the authority of 52.232-27(a), the 14 day period identified in FAR 52.232-27(a)(1)(i)(A) is hereby changed to 30 days.

Invoices should be submitted to the following address:

Attention: Financial Management Center
Embassy of the United States of America
Bolshoy Devyatinsky Pereulok, 8
Moscow, Russian Federation 121099

Note: The Financial Management Center will receive invoices, log them in, and forward to the COR for review and approval.

The Contractor shall show Value Added Tax (VAT) as a separate item on invoices submitted for payment.
G. SPECIAL REQUIREMENTS

G.1.0 PERFORMANCE/PAYMENT PROTECTION - The Contractor shall furnish some form of payment protection as described in 52.228-13 in the amount of 50% of the contract price.

[   ] Letters of Credit, or
[ X ] Bank Guaranty

G.1.1 The Contractor shall provide the information required by the paragraph above prior to beginning work on the contract. Failure to timely submit the required security may result in rescinding or termination of the contract by the Government. If the contract is terminated, the Contractor will be liable for those costs as described in FAR 52.249-10, Default (Fixed-Price Construction), which is included in this purchase order.

G.1.2 The bonds or alternate performance security shall guarantee the Contractor's execution and completion of the work within the contract time. This security shall also guarantee the correction of any defects after completion, the payment of all wages and other amounts payable by the Contractor under its subcontracts or for labor and materials, and the satisfaction or removal of any liens or encumbrances placed on the work.

G.1.3 The required securities shall remain in effect in the full amount required until final acceptance of the project by the Government. Upon final acceptance, the penal sum of the performance security shall be reduced to 10% of the contract price. The security shall remain in effect for one year after the date of final completion and acceptance, and the Contractor shall pay any premium required for the entire period of coverage.

G.2.0 INSURANCE - The Contractor is required by FAR 52.228-5, "Insurance - Work on a Government Installation" to provide whatever insurance is legally necessary. The Contractor shall at its own expense provide and maintain during the entire performance period the following insurance amounts:

G.2.1 GENERAL LIABILITY (includes premises/operations, collapse hazard, products, completed operations, contractual, independent contractors, broad form property damage, personal injury):

G.2.2 The foregoing types and amounts of insurance are the minimums required. The Contractor shall obtain any other types of insurance required by local law or that are ordinarily or customarily obtained in the location of the work. The limit of such insurance shall be as provided by law or sufficient to meet normal and customary claims.

G.2.3 The Contractor agrees that the Government shall not be responsible for personal injuries or for damages to any property of the Contractor, its officers, agents, servants, and employees, or any other person, arising from an incident to the Contractor's performance of this contract. The Contractor shall hold harmless and indemnify the Government from any and all claims arising therefrom, except in the instance of gross negligence on the part of the Government.

G.2.4 The Contractor shall obtain adequate insurance for damage to, or theft of, materials and equipment in insurance coverage for loose transit to the site or in storage on or off the site.

G.2.5 The general liability policy required of the Contractor shall name "the United States of America, acting by and through the Department of State", as an additional insured with respect to operations performed under this contract.

G.3.0 DOCUMENT DESCRIPTIONS

G.3.1 SUPPLEMENTAL DOCUMENTS: The Contracting Officer shall furnish from time to time such detailed drawings and other information as is considered necessary, in the opinion of the Contracting Officer, to interpret, clarify, supplement, or correct inconsistencies, errors or omissions in the Contract documents, or to describe minor changes in the work not involving an increase in the contract price or extension of the contract time. The Contractor shall comply with the requirements of the supplemental documents, and unless prompt objection is made by the Contractor within 20 days, their issuance shall not provide for any claim for an increase in the Contract price or an extension of contract time.

G.3.1.1 RECORD DOCUMENTS. The Contractor shall maintain at the project site:

(1) a current marked set of Contract drawings and specifications indicating all interpretations and clarification, contract modifications, change orders, or any other departure from the contract requirements approved by the Contracting Officer; and,
(2) a complete set of record shop drawings, product data, samples and other submittals as approved by the Contracting Officer.

G.3.1.2 "As-Built" Documents: After final completion of the work, but before final acceptance thereof, the Contractor shall provide:

G.3.1.2.1 The Contractor will be required to produce final As-Built drawings in AutoCad Version 2010 or higher. The Contractor will provide details on the As-Built drawings that show every detail of the finished heating system to include pipe sizes; lengths of pipe runs; location of valves, meters, pumps, gauges, and
meters. Contractor shall provide details by cross sections, typical details and other engineering acceptable standards for showing details.

G.3.1.2.2 All measurements on the drawings shall be metric and all wording shall be in English. Upon completion of the project, the Contractor will submit two hard copy drawings (A3 size) of the proposed As-Built drawings for review, comment, and final approval. Once the Contractor has received final approval for the As-Built drawings, the Contractor shall deliver two disks with the final electronic drawings. Final payment on the contract will not be authorized until the approved electronic As-Built drawings are received.

G.4.0 LAWS AND REGULATIONS - The Contractor shall, without additional expense to the Government, be responsible for complying with all laws, codes, ordinances, and regulations applicable to the performance of the work, including those of the host country, and with the lawful orders of any governmental authority having jurisdiction. Host country authorities may not enter the construction site without the permission of the Contracting Officer. Unless otherwise directed by the Contracting Officer, the Contractor shall comply with the more stringent of the requirements of such laws, regulations and orders and of the contract. In the event of a conflict between the contract and such laws, regulations and orders, the Contractor shall promptly advise the Contracting Officer of the conflict and of the Contractor's proposed course of action for resolution by the Contracting Officer.

G.4.1 The Contractor shall comply with all local labor laws, regulations, customs and practices pertaining to labor, safety, and similar matters, to the extent that such compliance is not inconsistent with the requirements of this contract.

G.4.2 The Contractor shall give written assurance to the Contracting Officer that all subcontractors and others performing work on or for the project have obtained all requisite licenses and permits.

G.4.3 The Contractor shall submit proper documentation and evidence satisfactory to the Contracting Officer of compliance with this clause.

G.5.0 CONSTRUCTION PERSONNEL - The Contractor shall maintain discipline at the site and at all times take all reasonable precautions to prevent any unlawful, riotous, or disorderly conduct by or among those employed at the site. The Contractor shall ensure the preservation of peace and protection of persons and property in the neighborhood of the project against such action. The Contracting Officer may require, in writing that the Contractor remove from the work any employee that the Contracting Officer deems incompetent, careless, insubordinate or otherwise objectionable, or whose continued employment on the project is deemed by the Contracting Officer to be contrary to the Government's interests.

G.5.1 If the Contractor has knowledge that any actual or potential labor dispute is delaying or threatens to delay the timely performance of this contract, the Contractor shall immediately give notice, including all relevant information, to the Contracting Officer.
G.5.2 After award, the Contractor has ten calendar days to submit to the Contracting Officer a list of workers and supervisors assigned to this project for the Government to conduct all necessary security checks. It is anticipated that security checks may take 60 days to perform. For each individual the list shall include:

- Full Name
- Place and Date of Birth
- Current Address
- Passport Copy

Failure to provide any of the above information may be considered grounds for rejection and/or resubmittal of the application. Once the Government has completed the security screening and approved the applicants a badge will be provided to the individual for access to the site. This badge may be revoked at any time due to the falsification of data, or misconduct on site.

G.5.3 The Contractor shall provide an English speaking supervisor on site at all times. This position is considered as key personnel under this purchase order.

G.6.0 Materials and Equipment - All materials and equipment incorporated into the work shall be new and for the purpose intended, unless otherwise specified. All workmanship shall be of good quality and performed in a skillful manner that will withstand inspection by the Contracting Officer.

G.7.0 SPECIAL WARRANTIES

G.7.1 Any special warranties that may be required under the contract shall be subject to the stipulations set forth in 52.246-21, "Warranty of Construction", as long as they are not in conflict.

G.7.2 The Contractor shall obtain and furnish to the Government all information required to make any subcontractor's, manufacturer's, or supplier's guarantee or warranty legally binding and effective. The Contractor shall submit both the information and the guarantee or warranty to the Government in sufficient time to permit the Government to meet any time limit specified in the guarantee or warranty, but not later than completion and acceptance of all work under this contract.

G.7.3 Unless otherwise stipulated herein, the Contractor shall guarantee the Contractor workmanship of the work completed under this contract for a one year period from the date of the Government’s acceptance of the work completion.

G.7.4 During the guarantee period, the Contractor shall correct and/or repair, at no cost to the Government, any damages and/or deficiencies that may be attributed to the materials and workmanship provided by the Contractor under this contract. The Contractor shall provide all labor, materials, equipment, at their own expense, to perform the repair and/or correction. The repair and/or correction must be completed within 24 hours from Notice of Damage(s).
G.8.0 **EQUITABLE ADJUSTMENTS**

Any circumstance for which the contract provides an equitable adjustment that causes a change within the meaning of paragraph (a) of the "Changes" clause shall be treated as a change under that clause; provided, that the Contractor gives the Contracting Officer prompt written notice (within 20 days) stating:

(a) the date, circumstances, and applicable contract clause authorizing an equitable adjustment and

(b) that the Contractor regards the event as a changed condition for which an equitable adjustment is allowed under the contract

The Contractor shall provide written notice of a differing site condition within 10 calendar days of occurrence following FAR 52.236-2, Differing Site Conditions.

G.9.0 **ZONING APPROVALS AND PERMITS**

The Government shall be responsible for:

- obtaining proper zoning or other land use control approval for the project
- obtaining the approval of the Contracting Drawings and Specifications
- paying fees due for the foregoing; and,
- for obtaining and paying for the initial building permits.

652.204-70  DEPARTMENT OF STATE PERSONAL IDENTIFICATION CARD ISSUANCE PROCEDURES (MAY 2011)
   (a) The Contractor shall comply with the Department of State (DOS) Personal Identification Card Issuance Procedures for all employees performing under this contract who require frequent and continuing access to DOS facilities, or information systems. The Contractor shall insert this clause in all subcontracts when the subcontractor’s employees will require frequent and continuing access to DOS facilities, or information systems.
   (b) The DOS Personal Identification Card Issuance Procedures may be accessed at http://www.state.gov/m/ds/rls/rpt/c21664.htm.

   (End of clause)

652.229-71  PERSONAL PROPERTY DISPOSITION AT POSTS ABROAD (AUG 1999)
   Regulations at 22 CFR Part 136 require that U.S. Government employees and their families do not profit personally from sales or other transactions with persons who are not themselves entitled to exemption from import restrictions, duties, or taxes. Should the Contractor experience importation or tax privileges in a foreign country because of its contractual relationship to the United States Government, the Contractor shall observe the requirements of 22 CFR Part 136 and all policies, rules, and procedures issued by the chief of mission in that foreign country.

   (End of clause)
CONTRACTOR IDENTIFICATION (JULY 2008)

Contract performance may require contractor personnel to attend meetings with government personnel and the public, work within government offices, and/or utilize government email.

Contractor personnel must take the following actions to identify themselves as non-federal employees:

1) Use an e-mail signature block that shows name, the office being supported and company affiliation (e.g. “John Smith, Office of Human Resources, ACME Corporation Support Contractor”);
2) Clearly identify themselves and their contractor affiliation in meetings;
3) Identify their contractor affiliation in Departmental e-mail and phone listings whenever contractor personnel are included in those listings; and
4) Contractor personnel may not utilize Department of State logos or indicia on business cards.

(End of clause)

652.236-70 ACCIDENT PREVENTION (APR 2004)

(a) General. The Contractor shall provide and maintain work environments and procedures which will safeguard the public and Government personnel, property, materials, supplies, and equipment exposed to contractor operations and activities; avoid interruptions of Government operations and delays in project completion dates; and, control costs in the performance of this contract. For these purposes, the Contractor shall:

(1) Provide appropriate safety barricades, signs and signal lights;
(2) Comply with the standards issued by any local government authority having jurisdiction over occupational health and safety issues; and,
(3) Ensure that any additional measures the Contracting Officer determines to be reasonably necessary for this purpose are taken.
(4) For overseas construction projects, the Contracting Officer shall specify in writing additional requirements regarding safety if the work involves:
   (i) Scaffolding;
   (ii) Work at heights above two (2) meters;
   (iii) Trenching or other excavation greater than one (1) meter in depth;
   (iv) Earth moving equipment;
   (v) Temporary wiring, use of portable electric tools, or other recognized electrical hazards. Temporary wiring and portable electric tools require the use of a ground fault circuit interrupter (GFCI) in the affected circuits; other electrical hazards may also require the use of a GFCI;
   (vi) Work in confined spaces (limited exits, potential for oxygen less than 19.5 percent or combustible atmosphere, potential for solid or liquid engulfment, or other hazards considered to be immediately dangerous to life or health such as water tanks, transformer vaults, sewers, cisterns, etc.);
(vii) Hazardous materials – a material with a physical or health hazard including but not limited to, flammable, explosive, corrosive, toxic, reactive or unstable, or any operations which creates any kind of contamination inside an occupied building such as dust from demolition activities, paints, solvents, etc.; or

(viii) Hazardous noise levels.

(b) Records. The Contractor shall maintain an accurate record of exposure data on all accidents incident to work performed under this contract resulting in death, traumatic injury, occupational disease, or damage to or theft of property, materials, supplies, or equipment. The Contractor shall report this data in the manner prescribed by the Contracting Officer.

(c) Subcontracts. The Contractor shall be responsible for its subcontractors’ compliance with this clause.

(d) Written program. Before commencing work, the Contractor shall:

(1) Submit a written plan to the Contracting Officer for implementing this clause. The plan shall include specific management or technical procedures for effectively controlling hazards associated with the project; and,

(2) Meet with the Contracting Officer to discuss and develop a mutual understanding relative to administration of the overall safety program.

(e) Notification. The Contracting Officer shall notify the Contractor of any non-compliance with these requirements and the corrective actions required. This notice, when delivered to the Contractor or the Contractor’s representative on site, shall be deemed sufficient notice of the non-compliance and corrective action required. After receiving the notice, the Contractor shall immediately take corrective action. If the Contractor fails or refuses to promptly take corrective action, the Contracting Officer may issue an order suspending all or part of the work until satisfactory corrective action has been taken. The Contractor shall not be entitled to any equitable adjustment of the contract price or extension of the performance schedule on any suspension of work order issued under this clause.

(End of clause)

652.242-73 AUTHORORIZATION AND PERFORMANCE (AUG 1999)
(a) The Contractor warrants the following:

(1) That is has obtained authorization to operate and do business in the country or countries in which this contract will be performed;

(2) That is has obtained all necessary licenses and permits required to perform this contract; and,

(3) That it shall comply fully with all laws, decrees, labor standards, and regulations of said country or countries during the performance of this contract.

(b) If the party actually performing the work will be a subcontractor or joint venture partner, then such subcontractor or joint venture partner agrees to the requirements of paragraph (a) of this clause.

(End of clause)
652.243-70   NOTICES (AUG 1999)

Any notice or request relating to this contract given by either party to the other shall be in
writing. Said notice or request shall be mailed or delivered by hand to the other party at the address
provided in the schedule of the contract. All modifications to the contract must be made in writing by
the Contracting Officer.

K. EVALUATION CRITERIA

Award will be made to the lowest priced, acceptable, responsible quoter. The Government reserves the right to reject quotations that are unreasonably low or high in price.

The Government will determine acceptability by assessing the offeror's compliance with the terms of the RFQ. The Government will determine responsibility by analyzing whether the apparent successful quoter complies with the requirements of FAR 9.1, including:

- ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments;
- satisfactory record of integrity and business ethics;
- necessary organization, experience, and skills or the ability to obtain them;
- necessary equipment and facilities or the ability to obtain them; and
- otherwise qualified and eligible to receive an award under applicable laws and regulations.

The following DOSAR is provided in full text:

652.209-79 REPRESENTATION BY CORPORATION REGARDING AN UNPAID DELINQUENT TAX LIABILITY OR A FELONY CRIMINAL CONVICTION UNDER ANY FEDERAL LAW (SEPT 2014) (DEVIAITION per PIB 2014-21)

(a) In accordance with section 7073 of Division K of the Consolidated Appropriations Act, 2014 (Public Law 113-76) none of the funds made available by that Act may be used to enter into a contract with any corporation that –

(1) Was convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency has direct knowledge of the conviction, unless the agency has considered, in accordance with its procedures, that this further action is not necessary to protect the interests of the Government; or

(2) Has any unpaid Federal tax liability that has been assessed for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency has direct knowledge of the unpaid tax liability, unless the Federal agency has considered, in accordance with its procedures, that this further action is not necessary to protect the interests of the Government.

For the purposes of section 7073, it is the Department of State’s policy that no award may be made to any corporation covered by (1) or (2) above, unless the Procurement Executive has made a written determination that suspension or debarment is not necessary to protect the interests of the Government.

(b) Offeror represents that—
(1) It [ ] is not [ ] a corporation that was convicted of a felony criminal violation under a Federal law within the preceding 24 months.

(2) It [ ] is not [ ] a corporation that has any unpaid Federal tax liability that has been assessed for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

L.3. **52.225-18 PLACE OF MANUFACTURE (SEPT 2006)**

(a) **Definitions.** As used in this clause—

“Manufactured end product” means any end product in Federal Supply Classes (FSC) 1000-9999, except—

1. FSC 5510, Lumber and Related Basic Wood Materials;
2. Federal Supply Group (FSG) 87, Agricultural Supplies;
3. FSG 88, Live Animals;
4. FSG 89, Food and Related Consumables;
5. FSC 9410, Crude Grades of Plant Materials;
6. FSC 9430, Miscellaneous Crude Animal Products, Inedible;
7. FSC 9440, Miscellaneous Crude Agricultural and Forestry Products;
8. FSC 9610, Ores;
9. FSC 9620, Minerals, Natural and Synthetic; and
10. FSC 9630, Additive Metal Materials.

“Place of manufacture” means the place where an end product is assembled out of components, or otherwise made or processed from raw materials into the finished product that is to be provided to the Government. If a product is disassembled and reassembled, the place of reassembly is not the place of manufacture.
(b) For statistical purposes only, the offeror shall indicate whether the place of manufacture of the end products it expects to provide in response to this solicitation is predominantly—

(1) [   ] In the United States (Check this box if the total anticipated price of offered end products manufactured in the United States exceeds the total anticipated price of offered end products manufactured outside the United States); or
(2) [   ] Outside the United States.
